      - 81 magnets
      - 100 meters copper wire coils (328 ft.)
      - Extension Cable Length: 2-2.5 meters (6.5 - 8.2 ft.)
      - Triangle size is approximately 34 cm on each side
      - 1.3 Hz fixed pulse generator
      - Combo 1: Copper wire 1,5 mm<sup>2</sup> (15AWG), power supply (adapter): 12V 10A, 120W
        - Price: 750 euro (03/08/2023)
      - Other options:
        - Combo 2: Copper wire 2.5 mm<sup>2</sup> (13.2 AWG), power supply (adapter): 12V 16A, 192W
        - Combo 3: Copper wire 10 mm<sup>2</sup> (7 AWG), power supply (adapter): 24V 62A, 1488W
        - Multi-frequency pulse generator
      - If ordered with one of our generators, the following are the details: AN-PEMF-O1 Pulse Generator with a fixed rate of pulses 1.3 Hz (80 pulses/min).

## Buy anti-nano devices

In general, people make the anti-nano devices themselves. If you rather buy one, here are a few places that offer the devices.
